This should be done as soon as funds are made available and no later than 1961.

The vault now used by the Clerk of Court is to be given to the Register of Deeds and a new vault is to be built on the rear of the building, approximately 20x20, for the Clerk of Court. This should be done no later than 1962, or as soon as funds are made available.

Report of County Commissioners

To the Citizens of Coos County;

In compliance with the Laws of the State of New Hampshire, the Commissioners of Coos County present their annual report for the year ending December 31, 1960.

In an earlier election time report, the Commissioners stated the following: "While cutting taxes and holding down expenditures in 1960 is all to the good, major repairs to the County buildings were a necessary must. Every farm building roof has been repaired and painted, new water lines are being laid, and tie-ups for more cattle are being finished in the stable. It is the intention of the Commissioners and the Superintendent and Matron, Mr. and Mrs. Edgar Ellingwood, to make the County Institution as nearly self-supporting as possible by building up all sources of revenue".

Now that the fiscal year 1960 is closed, we can apply figures to our statement. Receipts from the Hospital were down from the previous year by \$792.70, while receipts from the Farm were up by \$10,111.47. This gain in revenue was almost all offset by the extra spending on the farm buildings, machinery, and water system.

The major repairs are now behind us however, and we are glad to report that the County ended the fiscal year 1960 with a net budget surplus of \$23,677.99.

We do not anticipate any increase in County Taxes for this coming year, but we hope to have the continued support and good will of all personnel involved in our County government.

Respectfully submitted,

RENE BERGERON,

District No. 1

ELMER DICKEY,

District No. 2

RICHARD HICKS.

Solicitor's Report

To the Commissioners of Coos County:

Herewith is my report as County Attorney for the County of Coos for the year 1960.

The following cases have been disposed of in Superior Court during the past year:

ALBERT, Norman D.—Berlin, New Hampshire

Arraigned on waiver of indictment

Charge: Breaking, Entering & Larceny

Plea: Guilty

Case continued for sentence; defendant placed on probation for period of one year.

FORTIN, David—Berlin, New Hampshire

Arraigned on waiver of indictment

Charge: Breaking, Entering & Larceny

Plea: Guilty

Sentenced to serve eleven months in the Coos County House of Correction and placed on probation for three years.

PETERS, Lawrence—Berlin, New Hampshire

Arraigned on waiver of indictment

Charge: Attempted Bleaking, Entering & Larceny

Plea: Guilty

Case continued for sentence; defendant placed on probation for a period of two years.

RIFF, Albert—North Stratford, New Hampshire

Arraigned on waiver of indictment

Charge: Grand Larceny

Plea: Guilty

Case continued for sentence; defendant placed on probation for a period of two years.

This is the fourth and final report made by me as County Attorney. During the four years that I have held this office numerous cases have been disposed of at both the Municipal Court and Superior Court levels.

It has been a pleasure to work with the State Police, State Liquor Inspectors, Fish and Game Wardens, local Police and Sheriff's Department. We have a law enforcement organization of which we may all be proud. They have worked well together and are doing a good job for all of the County in the protection of person and property. It is my hope that before long, measures will be taken to adequately compensate these law enforcement officers for the many hours worked and to give them remuneration commensurate with the amount of work accomplished and with their ability.

On this same subject, it is my considered opinion that the office of County Attorney should also receive an increase in salary or that consideration be given toward making the office of County Attorney a full time position. To prepare the many cases handled, to give the advice sought by the many departments, to give freely of your time to individuals who have problems but no finances and to handle the trial of the various cases could, very easily, consume a full work week, and under the present salary arrangement, it cannot be expected that an attorney is going to devote full time to the office.

In the four years that I have held this office, I have attempted to be fair to all concerned—to be a prosecutor and not a persecutor. To some people this philosophy does not appeal and they use their power of the press to imply that a County Attorney who does not seek the maximum penalty for a person found guilty of having committed a crime is not doing his duty. I, for one, am happy that we live under a system of law that tempers mercy with justice in the hope that the end result will be a better community in which to live.

It is my hope that in some way my terms as County Attorney have been toward this end.

Respectfully submitted,

JAMES J. BURNS
